Spirit of '76 has been in the consumer fireworks business since 1987. Started by John Bechtold, this company has grown from a simple 20' x 40' seasonal tent (located at the Midway Truck Stop in Columbia, Missouri) into a factory direct importer distributing fireworks throughout the United States. In addition, Spirit of '76 recently opened a beautiful new showroom/retail store (see below) located in Columbia, and has its own highly successful fireworks line: '76 Pro Line.

COBRA 18R MANUAL REMOTE

Packaging 1/1

FS209

Weight: case – 1.5 lbs.

Boasting bi-directional communication, the 18R removes the guesswork that exists in most wireless systems by allowing you to check continuity, arm-state, and signal strength directly from the remote. You can feel confident knowing your modules are armed, in good range, and ready to fire from the palm of your hand at any time.

The 18R is safe, simple to use, and perfect for small to mid-sized shows or specialty applications within larger shows such as wide multi-position fronts, the big guns, and finales. Using the 18R, you can manually fire up to 1,800 unique cues across unlimited firing modules. 8.2" x 4.05" x 1.65".

COBRA 18R ARMORED CASE

COMES IN YELLOW (FS212), BLACK (FS210) OR ORANGE (FS213) AND GRAY (FS211).

The 18R and the 18R2 each require 3 x AA batteries. They are not included.

NEW

COBRA 18R2 SCRIPTED REMOTE

Packaging 1/1

(Note: Not available until May 2012)

FS202

Weight: case – 1.7 lbs.

Looking to graduate beyond manual firing? The 18R2 boasts all the same features as the COBRA 18R plus a handful of advanced features including a USB port for loading up to 100 pre-defined scripts for automated firing. You can easily create scripts in minutes using Microsoft Excel or Finale Fireworks Pro (www.finalefireworks.com), a powerful visual choreography software for designing firework displays.

The 18R2 creates new opportunities for small to mid-sized display companies by allowing them to easily, reliably, and affordably shoot pyromusicals with minimal operator training compared to any other system in the market. 8.2" x 4.05" x 1.65"

COBRA 18R2 ARMORED CASE

COMES IN YELLOW (FS212) OR BLACK (FS210)

COBRA 18M FIRING MODULE

Packaging 1/1

FS200

Weight: case – 2.2 lbs.

The 18M is a compact and rugged 18-cue firing module that functions universally with the 18R and 18R2 hand-held remotes and is perfect for both indoor and harsh outdoor environments. Each cue boasts 18V at 6A firing up to 10 series-wired e-matches, or 4 parallel-wired e-matches or Talon brand igniter clips per cue.

Each firing module can be set to one of 100 channels by simply pressing the + and - buttons on the module. Then, using the 18R or 18R2 hand-held remote channel controls, you can fire any modules on the same channel. You can fire unlimited modules at the exact same time by setting them to the same channel. 8.24" x 6.47" x 1.65"

COBRA 18M FIRING MODULE PROTECTIVE BOOT

COMES IN RED (FS218), YELLOW (FS209) OR BLACK (FS207)

COBRA 18M ARMORED CASE

COMES IN YELLOW (FS205) OR BLACK (FS203), GRAY (FS204) AND ORANGE (FS206).

The 18M requires 3 x 9V batteries. The remote requires 3 x AA batteries. They are not included with the system.

CALL US TODAY! We can answer all your fireworks questions. Let Spirit of '76 sell you the hottest products on the market, and give you unequalled service – **ALL AT THE BEST PRICES ANYWHERE!**

Please note: pictures in this catalog are NOT shown to scale. The photographs of firework items do not necessarily reflect the actual size of the product. To better estimate sizes, it is best to:

- Look at the number of pieces in each case.
- Check the case weight to determine the weight of individual pieces.
- Contact us at service@76fireworks.com or by phone: 573-447-1776.
- Visit www.76fireworks.com and look up the particular item.
- Assortments now have unit dimensions listed in the description.

SHIPPING INFORMATION

Freight quotes are now available online! Just visit our website (www.76fireworks.com) and put together your order. When you visit your shopping cart, a list of shipping options appears. You can also call us at 573-447-1776 and we will run a shipping quote for you. Just let us know where the fireworks will be shipped, the weight, and the number of cases. All product prices are FOB Columbia, MO or Easton, PA.

Import Program

Spirit of '76's Import Program is the best way to cut costs for your fireworks business. This year, let us deliver the fireworks straight from China to you. Buying a container is not for everyone, but if you are ready to take your business to the next level, call today to receive information on our import program.

There are several benefits to ordering a container from Spirit of '76 Fireworks:

- Extensive product selection from your favorite brands
- Substantial product savings resulting in higher profits
- Avoid shortages and sell-outs of hot items
- The fireworks come directly from China to you

Container orders need to be in by October for 4th of July sales.

Container customers receive a special discount off of Spirit of '76's Gold price list.

For more information on the Spirit of '76 Import Program, please check out the in-depth information on our web site (just select "Import Program" under our "Information" section) (573) 447-1776.

Come visit our new Spirit of '76 showroom! Stop in and check it out!

Take the Fayette exit (#121) on the west side of Columbia right off of I-70. Located at the Midway Truck Plaza.
